

Hadley Township Historical Society-Winter-2019

Hadley Mill Museum

Two thousand and nineteen is here and we are ready to roll! Our first program is scheduled at the Hadley Office building **June 6 at 7 p.m.** We will be having Ms. Valerie Marvin, Historian and Curator of the Michigan State Capitol, join us to tell the story of nearly 150 years of Michigan's Capitol history. The building is named a National Historic Landmark, the highest distinction accorded to historic structures in America. You will leave with a greater appreciation for the history, preservation efforts and ongoing upgrades that will assure its functionality, sustainability, and preservation for future generations.

June 8th will be our first opening of the Hadley Mill Museum. The Board of Directors has decided to be open from 1-3 p.m. the second and fourth Saturdays of June, July, August and September along with the 4th of July.
