Hadley Mill Museum

Summer Hours 10:-00 - 12:00

Saturdays 6/26, 7/10, 7/24, 8/14, 8/28, 9/11

FREE Admission

The Hadley Mill that stands today as a prominent landmark in Hadley was built about 1874 and was listed on the National Register of Historic Places in 1986. It is the third mill erected on this site. Now a Museum, visitors can explore three floors of agricultural and domestic artifacts from Hadley and Elba Townships' past and watch a demonstration of the engine that used to operate the Mill.

Also come and see the rare 1913 Regal Underslung automobile manufactured by the Regal Motor Car Company. The Regal is on loan from the Stahls Automotive Foundation of Chesterfield and will be at the Mill Museum all summer.

The Mill Museum is situated in the lovely Hartwig Park where a covered bridge crosses Mill Creek and leads to a picnic pavilion. The Hadley Mill Museum is located at 3633 S. Hadley Road and is managed by the Hadley Township Historical Society.
