

# Lapeer County Drop-Off Recycling

Drop-off Recycling takes place at 9:00 am until Noon on the **First and Third Saturdays of each month** at the Habitat for Humanity – 1633 N. Lapeer Road (M-24)\*

## Attention:

Effective immediately, Lapeer County Drop Off will be collecting plastic film (bags) as part of the NexTrex Community Challenge. By collecting these bags we can expand our service greatly. The challenge is to collect 500 pounds of plastic film in 6 months. By doing so we can earn a Trex outdoor park bench. More importantly, we can provide a place to recycle the materials listed below:

**The bags and film must be clean and placed in another bag. The bag containing these items can be dropped off with your regular recycling items. LCDOR will do the rest.**

## What can be recycled?
